Dino

The upstairs room at Dino offers a private dining experience with the same look and feel of the main restaurant. The layout is flexible and we offer various packages to accommodate most events. Please see the FAQ below and email dinorestaurantevents@gmail.com for more details or questions. We look forward to working with you!

What kind of event is the space suitable for?
We have catered for a range of events including weddings, baby showers, bridal showers, birthday parties, rehearsal dinners, business dinners and presentations and even a staging center for musicians during the 2015 Red Bull sponsored Fort Greene Summer Concert series.

How many people can the space accommodate?
The private dining room is suitable for any number of guests up to 40 for a seated dinner or brunch and up to 50 for a cocktail party or reception. The main restaurant and garden are also available to rent if your party exceeds the limits of the event space.

What are the options for food and drinks?
We offer a variety of set menu options for family-style meals and can adjust these based on your preferences. All dishes are from the main restaurant menu. Additionally, you may select from our beverage packages for wine, beer and/or liquor or pay 'a la carte' for your drinks.

Can you accommodate dietary restrictions?
We can accommodate most dietary restrictions with prior notice. Many of our dishes are vegetarian and some can be made vegan. We do not have gluten free pasta but we have many salad and entrée options that can be altered as needed. We are also happy to accommodate for young children with modified entrée and pricing options.

How long can I reserve the space?
Standard pricing is based on a duration of 3 hours but we are happy to accommodate a shorter or longer event. Reservations are available from 11am seven days a week. All events must finish by 11pm.

What is included with the room rental?
Dino will provide tables, chairs, white linen tablecloths and napkins, tableware and glassware. The rental charge also covers votive candles for decoration and use of the sound system for music. An overhead projector and screen are available at additional cost.

Can I bring my own decorations? What about music?
The host is welcome to arrive up to 30 minutes before the event to decorate and can bring anything that does not cause a lasting change to the physical property. The only party favor that we do not allow is confetti. The space is outfitted with a surround sound stereo system that allows you to play music from your phone or mp3 device.
